Dear Madam,

Greetings from the Home of Hundred Islands!

This is to respectfully request your good office for the Technical Assistance for Re-activation of the Electronic Medical Record (iClinicSys) of our Primary Care Facility City Health Office I and RHU II to give initial assessment to our existing devices/ units if it still suits to the standards specification, its connection and other material needs in order to be functional and smooth to operate, as preparation for the Universal Health Care.

I am looking forward for your favorable response on this matter, this will be highly appreciated.

Very Truly Yours,

MA. VICTORIA O. CARAMBAS, MD.
